About Us

Keca International Inc. was founded in 1995. Since its inception, Keca has strived to offer quality and durability. Its flexibility and creativity has permitted Keca to continuously offer new designs to the hospitality market.

Our complete line of products ranges from classical to contemporary design. We offer seating solutions for hotels, restaurants, bars, cafes, reception areas, senior living and more. Our 50,000 sq foot manufacturing plant in Montreal, Quebec allows us the flexibility to manufacture each product to the specifications of the client. We manufacture custom booths, table tops, sofas, lounge seating and chairs.

Our mission is to offer a product of the highest quality and comfort while maintaining the design look you are aiming for.

You can register online to receive the latest catalogue or call us with any questions. Visit us at **www.keca.ca**
